

An outline to the intervention and support arrangements in place for children

at

Clarendon Primary School

**In school, Intervention and support for children is provided in a range of ways, depending on the needs of each individual child.
The different levels of support provided are outlined below and have been categorised as either Wave 1, 2 or 3.**

Wave One

Overview of Wave One Provision at Clarendon Primary School

Definition:

Wave One is good quality inclusive teaching which takes into account the learning needs of all children in the classroom. Wave One includes the provision of differentiated work and the creation of an inclusive learning environment. The following are just some examples of our Wave One Provision.

*Please note, our provision may vary according to the needs of the cohort.

If you want to find out more, you are welcome to make an appointment to visit the School.

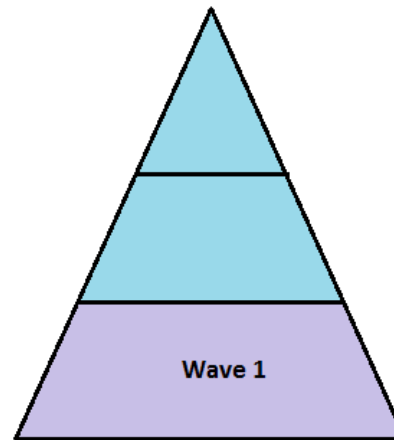

All information is correct at the time of publication.
