**This Calendar is subject to change and events will only go ahead with enough volunteers**

We still need volunteers, help and support on the events in our calendar to make them happen. We require a main person organising and being the 'Lead' plus more individual support for the following events otherwise they will **not** be able to go ahead:

**Freeze Pop Fridays**, starting 10<sup>th</sup> June onwards for 4 weeks. For more details of the specific tasks involved please contact us by email and we will gladly discuss this with you and provide guidance and support.

**Class Bake Sales or 'Treat Friday'** – dates to be agreed. Each class will be assigned a date to take ownership of organising and running the event their particular Friday. A competition will be held to see which class can raise the most amount of funds! We still need confirmation from two classes (via the Class Reps) that you'd like to take part. Please contact your individual Class Rep for more information about this initiative. We look forward to being able to confirm dates and details in due course.

**Disco in July** – date changed to **Wednesday 20<sup>th</sup> July**. We need another parent to co-lead this event please (along with another parent who has already volunteered). You will be fully supported by a more experienced parent who has been involved in some of our previous Disco's so please volunteer even if you feel you would need support and help.

***As you can see from our calendar, we have several other ideas yet to be confirmed because we need volunteers to lead on them, please. Ideas are great of course and we welcome these – however we need the help to implement them.***

***Please contact us via email if you are able to lead and/or support on any of our events. Thank You!***

### PTA Meetings
