### Spring Half Term News

Well here it is, our 5th edition of our newsletter! **'Thank You'** as always to those who continue to support us!

It felt like an absolutely crazily busy run-up to Christmas and the end of term! Despite not being able to hold the Christmas Fair for the second year running we were pleased to be able to hold our popular **ELFridges** event again and implement some new fundraising initiatives. **ElfMail** 'Gift from Santa' as an alternative to Santa's Grotto was received really well and our two **Mini Fairs** after school were also very successful.

For the first time we took our **Christmas Raffle** completely online, publishing our prizes and selling tickets using a new online platform. Our amazing 85 prizes certainly helped and our gamble really paid off, as with your help, we exceeded the last two years ticket sales!! Coupled with the benefits of less admin we feel this is definitely the way forward for in future.

We held our second **Online Christmas Market** in our Facebook group and had a wide variety of stallholders who helped us raise a good healthy amount. We also saw the return of the lucky numbers bottle game, managing this year to shift over double the number of bottles to last year in only a matter of days!!

**Milestone Residential Estate Agents** generously sponsored us again with their **New Year property boards** and also ran a fantastic competition where one lucky family, The Wades, won a **Nintendo Switch** for correctly guessing the number of balloons in their car! Congratulations again!

#### 2021/2 'Parent Reps' Update

Year 4 has had a change in rep with Katrina Powell now taking on this role. Thank you Katrina!

We are still looking 1 or 2 parent/carers to represent the Nursery please.

Let us know if you feel able to do this or email us for more information.

We are super grateful for the generosity of all the many companies and individuals who have supported us over the festive season and particularly for cash donations from one of our parents plus also from **Ashford Kitchens** and **Ashford Fruits**. **Thank you** so much, we are so happy to be forming partnerships with you both. Along with **Milestone**, who continue to support us, we look forward to another year working together with local businesses.

### Spring Half Term News

In January we were pleased to provide funding for the new large drop-down **Projection Screen** which has been installed in the school hall!

We hope to release details of our updated fundraising target for the ICT project very soon.

We are booked in with **Bag2School every term** now for regular collections. This is a very simple way of raising extra funds for us, helps the environment and also people in need. So please put the dates in your diary and remember us when you are having a declutter and sort out at home.
